GENERAL

- * All students, particularly those graduating in June, 1970, interested in learning more about teacher certificate courses offered at various colleges in the Province of Ontario should come to the Vanier College Committee Room at 4:30 p.m. on Thursday, April 2nd at which time Mr. Maclure, Principal of Lakeshore Teachers' College, will be present to answer questions and supply admission and registration information.
- * An experiment in participatory art entitled "Man Versus Module" by Gerald Robinson, architect and Robert Burns, graphic designer, is on display from 9:00 a.m. to 11:00 p.m. until April 2, in the Old Dining Hall, Glendon College.
- * The Inter-University Consortium for Political Research (ICPR) at the University of Michigan is continuing its summer programme on research design and data analysis in the social sciences. The sessions run from June 29 to August 22. Interested faculty and graduate students are requested to contact Mrs. Pam Kehoe, Room S436, The Ross Building (635-3026).
- * The office of the Vice-President (Administration) advises that York is to be listed in the International Index of the Avis car rental company. This listing entitles members of faculty and staff to a 20% discount (except in the case of various special plans Avis may have in effect from time to time). An identification card designating York University membership is sufficient evidence but Avis suggests that one of its Executive Discount Charge (or cash) Cards is even more effective, particularly when credit is required. A card may be obtained, free of charge, from the Avis Reservations Centre, 82 King St. West, Toronto 1. Cars are delivered to the campus, free of charge, from the Company's station at Jane and Finch (630-7680).
