\* YORK'S UNITED APPEAL CAMPAIGN NEEDS YOUR SUPPORT

A mail campaign was initiated by the University's United Appeal Committee this year to

- save you canvassing time
- make it just that much easier for you to contribute to these vitally important community services.

The York United Appeal campaign goal this year was one of increased faculty and staff participation but

- statistics compiled as of noon on Tuesday, October 26, show that we are lagging far behind last year's participation percentage.

- To date, only 10% of York's faculty and staff have contributed to the United Appeal Campaign at York.

The 75 member organizations of the United Appeal need your support. Your contributions make it possible for these agencies to continue serving your community

- and you.

\* YORK'S UNITED APPEAL CAMPAIGN NEEDS YOUR SUPPORT

A mail campaign was initiated by the University's United Appeal Committee this year to

- save you canvassing time
- make it just that much easier for you to contribute to these vitally important community services.

The York United Appeal campaign goal this year was one of increased faculty and staff participation but

- statistics compiled as of noon on Tuesday, October 26, show that we are lagging far behind last year's participation percentage.

- To date, only 10% of York's faculty and staff have contributed to the United Appeal Campaign at York.

The 75 member organizations of the United Appeal need your support. Your contributions make it possible for these agencies to continue serving your community

- and you.
