GENERAL

\* DISTRIBUTION OF THE TELEPHONE DIRECTORY:

The University Telephone Directory has been printed and is in the process of distribution. When the distribution is complete, heads of departments are asked to inform the Communications Coordinator, Department of Physical Plant, Room C25, T.O.B., (local 3754) in writing, of any shortages so that discrepancies between the distribution list and the number of copies delivered can be investigated. It should be noted that, because there are many areas in which one telephone serves a number of people, a listing in the alphabetical section of the directory does not automatically mean that the person listed is entitled to a personal copy of the directory.

The loose-leaf binder in which the Telephone Directory has been issued is designed to contain the University Handbook, and the three sections which follow the Telephone Directory in the complete book will be published early in the new year. The three additional sections are: Services - a concise, indexed summary of the services provided by the University's support staff, with an outline of procedures, addresses, and telephone numbers needed to make effective use of them; Practices - a section intended to contain those longer and more detailed procedures and regulations which merit wide distribution because they are referred to constantly; and Policies - containing a number of University policies of particular interest to faculty and senior administrative staff.

- \* The Art Gallery of York University will have a special showing of the masterpiece, "Saint Francis and Brother Leo Meditating on Death" by El Greco. The painting is on loan from the Collection of the National Gallery of Canada. The A.G.Y.U. will be showing this painting from Thursday, November 11 to Tuesday, November 23; the hours are Monday through Friday from 11:00 a.m. to 5:00 p.m., and Sunday, from 2:00 p.m. to 5:00 p.m.
- \* A brief report from the University of California at Berkeley, summarizing faculty attitudes on the issue of student participation in governance is available from Ben Barkow, Room 275, Behavioural Science Building. Characteristics of staff associated with pro and con stances are discussed in the report.
- \* The Faculty of Fine Arts, Performing Arts Series, will present "Writers and Their Works", featuring George Ryga, author of The Ecstasy of Rita Joe, Wednesday, November 17, at 8:30 p.m. in Burton Auditorium. Individual tickets for this evening are \$3.00; staff - \$2.50; and students - \$1.75.

Observers' tickets are available on a first-come, first-serve basis from the Office of the President, Room S907, the Ross Building.

- \* To facilitate snow removal during the winter months, the Department of Safety and Security advises that curb parking will not be permitted in peripheral lots during or immediately following all heavy falls of snow. In these conditions parking will also be restricted to one side of the road adjacent to the Temporary Office Building and in certain other Service and Receiving areas which will be clearly marked with appropriate "Snow Route" signs.

The co-operation of all members of the community is requested in order to ensure that roads, service and receiving areas, and parking lots are cleared as expeditiously as possible.

- \* York University Post Office advises the following procedures for:

IDENTIFYING OUTGOING MAIL

Allocation of postage costs to Departments is made by reference to the Responsibility Centre Number presently printed in the top right hand corner of University envelopes. The Federal Post Office has objected to this position due to possible confusion of the metered postage amount when stamped over the Responsibility Centre Number.

When the existing stock of envelopes has been used, new printings will put the Responsibility Centre Number in the left hand corner of the envelope together with the name of the Department. If you are now using numbered envelope stock which does not have a Responsibility Centre printed on it, will you please print your Number on the left hand corner together with your Department name until new stock is produced.

MAILING CHRISTMAS CARDS

Please stamp Christmas Cards before mailing through the University's Postal Services at York and Glendon Campus.

Non stamped mail will be delivered to the Federal Postal Services who will charge double the postage at destination. Undelivered cards returned to the University will be passed back to the sender if a complete return address was put on the envelope. If not, they will be sent to the Undeliverable Mail Office, Toronto, for disposal.

- \* Due to Swim Meets being held in the Tait McKenzie Pool, Recreational Swimming will be restricted to the following hours:

Wednesday, December 1	9:00 p.m. - 10:00 p.m.
Friday, December 3	12:00 noon - 1:00 p.m.
Saturday, December 4	closed
Sunday, December 5	closed

- \* In the new issue of the Telephone Directory, page 70, under "Registrar, Office of the", the telephone number 2550 is listed against "Computer Service". This is a typographical error, the correct number being 2500.
