The Commission hopes for an informal exchange of views on the place of Canadian Studies in Canadian universities, the need, availability, quality and quantity of courses being given in this area, and suggestions for possible innovations or improvements. Interested faculty, students and staff are invited to attend. York University submitted a formal response to the Commission on Canadian Studies in December. A copy of this brief was sent to the Dean of each Faculty and to Excalibur. Copies are also on file in the Office of the President and in Dr. David Coates' office (Administrative Studies Bldg., Room 200H). GENERAL

- * The Student Services Group - the non-academic personnel seen most often by students - has been in effect for almost two months. This group developed from an interest in drawing together the wide uncoordinated range of activities where students are aided, directed and served by the University, in order to improve the services offered and to strengthen the relationship among these personnel. The Student Services community has recently assumed several responsibilities for improving communication, staff development and professionalism among the community members. A meeting will be held on Thursday, March 29 at 12:00 noon in the Senior Common Room of Founders College - the Group is open to anyone who encounters students regularly on behalf of the University. For further information contact Lucy Cantrell at local 2241.
- * Copies of the article "Non-Resident Income Tax Altered by Budget Amendments", which was published by the Ontario Confederation of University Faculty Associations, can be obtained from the OCUFA offices at 40 Sussex Avenue, Toronto 5 (or telephone Charles Hebdon at 964-8417). This information may be of direct concern to University teachers who at some time during 1972 were non-residents of Canada e.g. those who joined the faculty or staff from abroad or who spent sabbaticals or leaves of absence outside the country.
- * The Department of Physical Plant wishes to advise that examination tables and chairs now in use throughout the campus will be collected during the next few days to furnish the rooms in which final examinations are to be held next month. The cooperation of all departments and sections is requested so that the rental of such furniture can be kept to a minimum.
- * The Toronto and vicinity White Page Directories will be available shortly. Departments are asked to call the Switchboard (dial "0") with requirements.
