GENERAL

- * Effective January, 1974, the Ontario Student Awards Program will be known as the Ontario Student Assistance Program. The name has been changed to reflect more accurately the program's goal of providing financial aid to students who have insufficient resources to meet the full cost of their post-secondary education.
- * University Closing Due to Extreme Weather Conditions: Recent examples of extreme weather causing hazardous road conditions have emphasized the need for a statement of policy on closing the University in such circumstances. As a large community with academic schedules to meet and many members to serve, the importance of avoiding disruption is evident. There are times, however, when public safety indicates temporary interruption of the regular routines of the University. Hopefully, such occasions will be rare. The information given below is provided for the guidance of York members. It should be noted that, because a storm may coincide with special events such as examinations, visits by distinguished guests, and special meetings which would be particularly difficult to re-schedule, it is not the intention of this policy to require the cancellation of such events. Whether or not they are cancelled is at the discretion of those directly responsible. When severe weather conditions occur before the University opens in the morning, on the authority of the President, an announcement temporarily suspending classes and office attendance will be made on the following radio stations as soon after 7:00 a.m. as possible:
- | | | | | | | | |
|------|------|------|------|-----|------|------|------|
| CKEY | (AM) | CHUM | (AM) | CBL | (AM) | CKFM | (FM) |
|------|------|------|------|-----|------|------|------|
- Radio York will carry the same message after 8:00 a.m. When severe weather conditions occur, or are reported as imminent by the meteorological services of the Provincial Government, after the University has opened for the day, on the authority of the President, the Office of the Vice-President (Administration) will notify the head of each major division and administrative department that the University will be closed from a specific time that day. The person so informed will then be responsible for passing on the message to everyone in his unit. An announcement will also be made over Radio York. Unless such announcements are made members of the community will be expected to maintain regular schedules. [Office of the Vice-President (Administration)]
- * Effective immediately, Personnel Transaction Forms will be available to all departments from Stationery Stores (the Ross Building) at a cost of 20¢ per copy. These forms will not be available from Personnel Services.

(cont'd.)

- * Founders College has established a search committee for a new Residence Tutor to succeed Professor Alan Chin, Assistant Professor of Physical Education and Biology, whose three-year term ends June 30, 1974. Preference will be given to applicants who hold an academic appointment in the University at the Assistant Professor or Lecturer level. Applications and inquiries should be directed to Room 217, Founders College - local 2322.
- * Commencing Saturday, January 12, and continuing throughout the academic year, the Dance Department of the Faculty of Fine Arts will be offering morning classes for children in Creative Modern Dance (ages 5 and up). Further information may be obtained by calling local 3243 or 3636.
- * Members of the York community are asked to note that the Food Services Committee meeting originally scheduled for Monday, January 14 has been re-scheduled to Monday, January 21 at 3:30 p.m. in Room 114, Bethune College.
- * The Office of the Chief Accountant requests the cooperation of the York community in adhering to the practice of allowing five days for the preparation of cheques, including travel advances, petty cash reimbursements, expense reimbursements, etc. Arranging for special pickup should not be requested unless absolutely necessary. While one of the prime functions of the Accounting Department is to serve the needs of the University community, and the Department is prepared to accommodate urgent requests on an exception basis, this can only be achieved at the cost of a loss in productive time and additional workload for accounting staff. Sufficient time should be allowed to serve the community needs efficiently.
- * The Hatha Yoga classes which were held at 7:00 p.m., 8:00 p.m. and 9:00 p.m. in the Junior Common Room of McLaughlin College each Monday of the fall term, will commence on January 14 for fifteen weeks of the second term. Cost of instruction will be \$12.00 - for further information call Howard Helpurn at 630-7743.

GENERAL

- * Snow Emergency: All members of the community are advised that when a Snow Emergency condition is declared by Metropolitan Toronto or at the University, the following restrictions on parking will be imposed in order to facilitate the removal of snow:
1. Curb parking will not be permitted in the peripheral (unreserved) lots.
 2. Between midnight and 8:00 a.m., cars left overnight in peripheral lots will be required to be parked in designated areas in the front portion of the lots.
 3. Between midnight and 8:00 a.m., no parking will be permitted on any campus roads including those where parking is normally allowed i.e. Ottawa Road, and the road adjacent to the Temporary Office Building.
 4. Between midnight and 8:00 a.m., no parking will be permitted in any reserved area. (The University reserves the right to suspend parking temporarily in any area for emergencies - York Campus Parking and Traffic Regulations 1973/74.)
- When a Snow Emergency condition is declared in Metropolitan Toronto, this is promulgated through local radio stations; if it is found necessary to declare an emergency at the University at any other time, this will be carried by Radio York. "Snow Emergency" signs will also be displayed at all entrances to the campus. The degree of cooperation by members of the community will determine the effectiveness of snow removal, which presents problems due to the substantial number of vehicles belonging to residents which are parked on campus overnight. The above measures will enable a more efficient use to be made of snow clearing equipment, particularly during the night hours, proving beneficial to all. [C.G. Dunn, Director of Safety and Security Services]
- * University Closing Due to Extreme Weather Conditions: Recent examples of extreme weather causing hazardous road conditions have emphasized the need for a statement of policy on closing the University in such circumstances. As a large community with academic schedules to meet and many members to serve, the importance of avoiding disruption is evident. There are times, however, when public safety indicates temporary interruption of the regular routines of the University. Hopefully, such occasions will be rare. The information given below is provided for the guidance of York members. It should be noted that, because a storm may coincide with special events such as examinations, visits by distinguished guests, and special meetings which would be particularly difficult to re-schedule, it is not the intention of this policy to require the cancellation of such events. Whether or not they are cancelled is at the discretion of those directly responsible. When severe weather conditions occur before the University opens in the morning, on the authority of the President, an announcement temporarily suspending classes and office attendance will be made on the following radio stations as soon after 7:00 a.m. as possible:
- | | | | | |
|-----------|----------|-----------|-----------|-----------|
| CKEY (AM) | CBL (AM) | CHUM (AM) | CKFM (FM) | CFRB (AM) |
|-----------|----------|-----------|-----------|-----------|
- Radio York will carry the same message after 8:00 a.m. When severe weather conditions occur, or are reported as imminent by the meteorological services of the Provincial Government, after the University has opened for the day, on the authority of the President, the Office of the Vice-President (Administration) will notify the head of each major division and administrative department that the University will be closed from a specific time that day. The person so informed will then be responsible for passing on the message to everyone in his unit. An announcement will also be made over Radio York. Unless such announcements are made, members of the community will be expected to maintain regular

- * COSMICON: Winters College "Cosmicon" is the third annual comic art, horror, fantasy and science fiction convention. The convention will open at 5:00 p.m. Friday, January 25 and close at 12:00 midnight Sunday, January 27. The tentative schedule calls for panel discussions, slide shows, and lectures featuring representatives from Marvel Comics, National Periodicals, Quebecomix, National Lampoon, Mad Magazine and Warren Publications, as well as many artists, writers and illustrators from Canada and the U.S.A. Art display rooms will be set up for individual guest artists. Over thirty feature films will be shown this year, and will run continuously in two different theatres. The movies range from very rare early 1930's classics such as "Freaks", "Lot in Sodom" and "Things to Come" to the modern horror films like "The Pit and the Pendulum" and "Night of the Living Dead". Science fiction and fantasy films will include Walt Disney's "Adventures of Pinocchio", "Gulliver's Travels", "Soylent Green" and 1940's Superman cartoons. In the dealers' room, hundreds of old and new comics, horror magazines, books, stills, posters and art work will be on sale throughout the convention. Advance weekend passes are \$5.00 each; passes at the door are \$7.00 for the entire convention or \$3.00 per day. The convention will take place at Winters College and interested persons can obtain further information by calling 667-3888.
- * The Office of the Chief Accountant is pleased to advise the appointment of Mr. J. Bruce Dugelby as General Accountant. Reporting to Mr. A. Vesterback, Mr. Dugelby is responsible for the operating activities of the General Accounting Services and Accounts Payable sections of the Accounting Department.
- * The Institute for Behavioural Research has recently published a report on the financing of post-secondary education - Does Money Matter? - by Marion Porter, John Porter and Bernard Blishen. Copies are now available from Room 259, Administrative Studies Building at a cost of \$3.50 per copy.
- * The Office of the Chief Accountant requests the cooperation of the York community in adhering to the practice of allowing five days for the preparation of cheques, including travel advances, petty cash reimbursements, expense reimbursements, etc. Arranging for special pickup should not be requested unless absolutely necessary. While one of the prime functions of the Accounting Department is to serve the needs of the University community, and the Department is prepared to accommodate urgent requests on an exception basis, this can only be achieved at the cost of a loss in productive time and additional workload for accounting staff. Sufficient time should be allowed to serve the community needs efficiently.
