SPECIAL EDITION

The Inauguration of a \$10 million Endowment Fund Campaign for York University has been announced by Dr. Robert M. MacIntosh, Chairman of the Board of Governors.

"While York University is one of Ontario's and Canada's largest universities, it is also one of the newest, certainly relative to its sister institutions of similar size, and as such has not had the years to develop an appropriate endowment fund. It is hoped that this campaign will rectify this situation," said Dr. MacIntosh.

The General Chairman of the campaign will be Allen T. Lambert, Chairman and Chief Executive Officer of the Toronto Dominion Bank and a member of York's Board of Governors.

Co-Vice Chairmen will be the Honourable Walter L. Gordon, P.C., James L. Lewtas, Q.C., and Alfred Powis, President and Chief Executive Officer of Noranda Mines Ltd., all members of York's Board of Governors.
