INFORMATION YORK NEEDS YOUR HELP

Information York has been operating for over a year now and is manned almost entirely on a voluntary basis. During most months of the year it is combined with the Off Campus Housing Office which provides some permanent part-time assistance. However, for the next two months, Off Campus Housing functions on its own in Curtis Lecture Halls and Information York will have to be manned five days a week from 9:00 a.m. to 5:00 p.m. with voluntary assistance alone. In order to do this and to continue to serve its vital role in helping students around this campus, Information York desperately needs help. Faculties, Departments, Colleges, etc., are asked to volunteer a member, or members, of their staff for one hour a week. Faculty members, administrators, staff, students - ALL are welcome to help Information York help others.

If you can offer some time - please call 3441 and ask for Denys Brown who would also like to thank all those volunteers who have given and continue to give so freely of their assistance.
