CHANGE IN FOOD SERVICES

Contract negotiations are now sufficiently advanced to make this initial announcement on the results of the Food Service tendering undertaken this Spring for the whole University.

The Tendering Committee, under the chairmanship of H.D. Knox, Assistant Vice-President (Business Operations), comprised:

Professor J. Wick Pelletier	- Department of Mathematics, representing Y.U.F.A. on University Food Services Committee (UFSC)
Mr. P. Jarvis	- Chairman, UFSC
Miss J. Postello	- Representing the Graduate Business Council on UFSC
Mr. C. Pilley	- Senior Administrator, representing Glendon College
Mr. J.R. Allen	- Director, Ancillary Services
Mr. N.D. Crandles	- Assistant Director, Ancillary Services

The Committee used as criteria for selection, the following requirements:

1. improved food quality and service;
2. diversity of fare;
3. alternatives for customers; and
4. the elimination of operating deficits.

As a result of the recommendation of the tendering committee, approval has been received to appoint the following companies for service effective July 10, 1975.

COLLEGE COMPLEX 1

Rill Food Services Limited

In addition to normal cafeteria dining, Rill will offer kiosks serving Chinese, pizza, vegetarian and other speciality foods. Rill will also handle special functions, luncheons and conference business, plus satellite coffee stations.

COLLEGE COMPLEX 2 and CENTRAL SQUARE

Commercial Caterers Limited

Both areas will have expanded menus including, in the Complex, once-a-week 'foods of the world', and in Central Square, daily selections of substantial European home-made soups. The French Café will continue.

ATKINSON COLLEGE COFFEE HOUSE

A and G Cafeterias Limited

Completely changed to a full waitress-served restaurant offering two distinct menus - one being standard cafeteria fare (incorporating a take-out selection), and the other a 'fine dining' section for lunch-time and late evening meals. This new arrangement will not be operational until sometime after Atkinson summer classes cease, meanwhile, the present service will continue while necessary alterations are made to the room.

DELI (ex Buttery)

Marky's Delicatessen

This prominent Toronto Kosher restaurateur will offer the full menu served at his own premises at 3799 Bathurst Street, comprising a large selection of delicatessen sandwiches, knishes, cabbage rolls, kishkas, etc., considered by many to be the best in the city.

OSGOODE CAFETERIA

Coffee Shoppe Automatic Food Services Limited

Will convert to full-line automatic vending, with hostess service from 7:30 a.m. to 3:30 p.m. and with considerable expansion of the present menu and equipment.

GLENDON COLLEGE

Beaver Foods Limited

Will continue with service levels and menus at present.

The exact timings of changeovers and names and telephone numbers of people to contact for service will be announced shortly, and a more detailed pamphlet on the subject will be issued in early August.

For further information call Mr. N.D. Crandles at local -3346.
