GENERAL

- * SUMMER HOURS 1976 (York Campus): For the past five years the University offices have operated on summer hours from 8:30 a.m. - 4:30 p.m. from the beginning of Daylight Saving in April through to the Labour Day weekend. This practice will be continued this year from Monday, April 26 to Friday, September 3 - both dates inclusive. In the past, in the few cases where the summer hours had an adverse effect on required operations, it was recognized that the regular hours should be retained. Glendon College has been on a summer hours schedule comparable to the above and will continue the practice in 1976.
