GENERAL

- * **YORK TELEPHONE DIRECTORY:** The 1977-78 York Telephone Directory will be issued by November 1, 1977. The cut-off date for any additions, deletions and/or changes will be September 9, 1977. This year's book will be a revision of the 1976-77 directory. Additions, deletions and/or changes must be submitted on a "Change of Listing" form to the Telecommunications Office, Room C5, Temporary Office Building; forms can be obtained by calling -2337 (please note that one form is required per listing). Special care should be taken when submitting listings for faculty who are cross-appointed; in these cases it may be advisable to liaise with the other department or college concerned. If changes have occurred in the "Departmental Listing", the department is required to submit, on a separately typed sheet, the complete Departmental Listing as it is to appear in the new directory. If there are no changes, simply send a memo to that effect before the cut-off date. When submitting the new Departmental Listing (or no change memo), departments should advise Telecommunications of the number of York Directory inserts required. After September 9, 1977, any additions, deletions and/or changes should continue to be submitted on the "Change of Listing" form in order that the Switchboard files can be updated accordingly.
- * **PARKING:** Members of the community are advised that parking decals for 1976-77 expired June 30th. Parking decals for 1977-78 for the York campus are now available in the Parking Office, Room A2, Temporary Office Building (open from 9:00 a.m.-1:00 p.m., 2:00 p.m.-4:30 p.m. - Monday to Friday). Parking fees for Annual Reserved Decals and Annual Unreserved Decals have been maintained at the 1976-77 level of \$100 and \$35 respectively. Payment for Reserved Decals may be made by Payroll Deduction in four instalments of \$25, and for Unreserved Decals in two instalments of \$17.50. The first deduction will be made from the August salary. It is requested that whenever possible applicants obtain their decals in person at the Parking Office; when applications are made by mail, this places an extra load on Parking Office staff, particularly during the vacation period which often results in some delay before the applications can be processed and decals sent out to applicants.
- * Members of the community are asked to note that the Centre for Special Services for Handicapped Students will be closed on Wednesday, July 27 and Wednesday, August 3, 1977.
- * As of July 18th, the Offices of the Registrar, Registration and Student Awards relocated to C017 of the Steacie Science Library; telephone numbers will remain the same.
- * The Master of Bethune College invites inquiries and applications for the position of Residence Tutor to commence September 1, 1977. Applications should be directed to Dr. Ioan Davies, Master, Room 205, Bethune College. Information on the position and remuneration may be obtained by calling the Master at local -3959 (please note that the closing date is July 29).
- * Members of the York University Faculty Association are asked to note the following change in dues, effective July 1, 1977, as passed by the membership at the annual meeting of May 19, 1977:

Professor	\$13.86	Associate	\$10.31
