The women will commence matches at 6:45 p.m. with the men scheduled to start play at 8:00 p.m.; admission is free.
- * Works by summer faculty members and students of the Dance Department will be featured in a Dance Presentation on Wednesday, August 10 at 7:30 p.m. in the Burton Auditorium. No admission fee will be charged.
- * **YORK TELEPHONE DIRECTORY:** The 1977-78 York Telephone Directory will be issued by November 1, 1977. The cut-off date for any additions, deletions and/or changes will be September 9, 1977. This year's book will be a revision of the 1976-77 directory. Additions, deletions and/or changes must be submitted on a "Change of Listing" form to the Telecommunications Office, Room C5, Temporary Office Building; forms can be obtained by callint -2337 (please note that one form is required per listing). Special care should be taken when submitting listings for faculty who are cross-appointed; in these cases it may be advisable to liaise with the other department or college concerned. If changes have occurred in the "Departmental Listing", the department is required to submit, on a separately typed sheet, the complete Departmental Listing as it is to appear in the new directory. If there are no changes, simply send a memo to that effect before the cut-off date. When submitting the new Departmental Listing (or no change memo), departments should advise Telecommunications of the number of York Directory inserts required. After September 9, 1977, any additions, deletions and/or changes should continue to be submitted on the "Change of Listing" form in order that the Switchboard files can be updated accordingly.

Effective September 6, drivers wishing to park in this area will be required to pay on an hourly basis with a fee of 50¢ for the first hour and 25¢ for each additional hour, to a maximum of \$1.50 per day. Parking fees will be collected by an attendant located at the west end of the lot.
- * YORK TELEPHONE DIRECTORY: The 1977-78 York Telephone Directory will be issued by November 1, 1977. The cut-off date for any additions, deletions and/or changes will be September 9, 1977. Additions, deletions and/or changes must be submitted on a "Change of Listing" form to the Telecommunications Office, Room C5, Temporary Office Building; these forms can be obtained by calling local -2337 (please note that one form is required per listing). Special care should be taken when submitting listings for faculty who are cross-appointed; in these cases it may be advisable to liaise with the other department or college concerned. If there are no changes, simply send a memo to that effect before the cut-off date. When submitting the new Departmental Listing (or no-change memo) departments are asked to advise Telecommunications of the number of York Directory inserts required.
