## GENERAL

- \* On numerous past occasions it has been observed that the University could reduce its expenditures by moving to the use of campus addresses rather than home addresses for the distribution of communications to employees from the University. Members of the community are asked to note that as of July, 1978, all correspondence for salaried personnel distributed by the Payroll and Personnel Departments will be directed to campus (rather than home) addresses, as an initial stage in the implementation of a multi-application campus mailing system. Specially marked envelopes will be used for payslips to avoid inadvertent opening by persons other than the addressee. Cards will be inserted with the June salary statement detailing the address and providing instructions for correction of any errors or omissions. Departments will be responsible for notifying Personnel Services of all office changes and procedures for this will need to be designed by each department. The June pay insert will instruct individual employees to return incorrect cards to their department by June 30, 1978. These cards will, in turn, be corrected by the department and forwarded to Personnel Services no later than July 7, 1978.
- \* On June 16, 17 and 18, the Festival of the Nations will be held at the Glendon College campus. Canada's three predominant cultures will join together to demonstrate their skills and talents; representatives of the Native, French and English Canadian peoples will provide music, theatre and crafts. The Festival of the Nations is a non-profit organization created for the exchange of three predominant cultures in Canada and has largely been organized by Glendon students and alumni; for further information call Rob Williams at 782-8043.
- \* "Keep Father Fit Day" will be held on Father's Day, June 18, at the York campus. Commencing at 10:00 a.m., fathers and families can run or walk a two mile course on the main campus; for the more adventurous father, there will be a five mile run as well as a five mile recreational event. The program also offers participants the opportunity to swim in the York pool and use the shower/change facilities. The gymnasium will feature special demonstrations of interest to children and adults and refreshments will be available on site. Mayor Mel Lastman of North York and Scotty Morrison, Referee-in-Chief of the National Hockey League will participate. Fathers and families should meet on the field in front of Bethune College at 9:30 a.m.; advance registration is required for the competitive race and may be arranged by calling Paul Charters at 884-0805. "Keep Father Fit Day" is open to the general public and there is no charge; for information call local -3641.
- \* 1978-79 ATHLETIC MEMBERSHIPS: Faculty and Staff are reminded that their 1977-78 Athletic Memberships expire on June 30, 1978. Anyone wishing to use the Athletic Facilities after July 1 must have a 1978-79 Athletic Membership. All lockers not renewed by July 15 will have their contents removed. Membership fees are as follows:

	Single	Dates	Family	Dates
Faculty	\$22.50	July 1/78-June 30/79	\$30.00	July 1/78-June 30/79
Staff	\$30.00	" " "	\$50.00	" " "
	\$15.00	Apr. 1/78-Sept. 12/78	\$25.00	Apr. 1/78-Sept. 12/78
		OR Jan. 1/79-June 30/79		OR Jan. 1/79-June 30/79

Lockers: full-size (men only-\$20.00\*); 1/3-size (men only-\$10.00\*); 1/2-size (women only-\$12.00\*)  
(\*includes refundable lock deposit of \$4.00)

Towel Service: full year-\$10.00; summer or winter membership-\$5.00

Application forms may be obtained from the Men's and Women's Control Rooms, Tait McKenzie Building, or by calling local -2347. Fees may be deducted through Payroll (complete form in duplicate and take to appropriate Control Room; application will be processed and a membership card issued) or paid directly (completed applications, in duplicate, should be taken to the Accounting Department along with cash or cheque; the application form and official York receipt are then taken to the appropriate Control Room where it is processed and a membership card issued).

The Athletic Membership permits the holder to use all the Tait McKenzie and Glendon athletic facilities during recreation periods as well as to take part in the Instructional Service and Sports Club programs. The Tait McKenzie facilities include nine all-weather tennis courts, five Har Tru tennis courts, an ice arena, a 25-metre swimming pool, eight squash courts, a weight training room, and two gymnasias. Membership entitles holders to reduced entrance fees for all Varsity home games being held on the York campus.

(NOTE: The Department of Physical Education and Athletics has recommended that both the Staff and Faculty Athletic Memberships be increased and that Summer and Winter Memberships be introduced for both Staff and Faculty. The Y.U.F.A. Agreement contains a clause that requires Y.U.F.A. to approve any changes in either the Parking or Athletic Membership fees; should the Y.U.F.A. Negotiating Committee approve the new fee structure, the Staff and Faculty rates would once again be identical. The Department of Physical Education and Athletics regrets that the fees must be increased, but Departmental budget cuts and increasing costs have necessitated this alteration to rental and membership fees.)
