This year, each department is asked to state who they want listed in the Directory as opposed to what changes, additions or deletions they have. This is done every three years in order to clean out the Directory - whatever information the Telecommunications Department has now is considered redundant. The alphabetical listings will be compiled solely from information submitted to Telecommunications on the new "Application for Inclusion in the 1978-79 York University Telephone Directory" forms, a supply of which may be obtained by calling local -2337. In order to avoid unnecessary confusion, special care should be taken (ideally in the form of liaison with other departments or colleges concerned) when submitting listings for faculty who are cross-appointed. Each department is also required to submit a typed sheet detailing its "Departmental Listing" for the Directory, adhering as closely as possible to last year's format. Requirements for number of York Directory inserts should also be noted on this list. After September 8, 1978, additions, deletions and/or changes should be submitted on the regular "Change of Listing" form to allow the Switchboard files to remain constantly updated.
- * Eleven Rhodes Scholarships will be awarded to Canadians this fall. They will entitle the winners to study at Oxford University in England for two and possibly three years commencing September, 1979. The value of each Scholarship is approximately £3,600 per annum. Applications for the 1979 awards may be made until October 25, 1978. Canadians, preferably in their third or fourth year of university work, who are unmarried and between 18 and 24 years of age, are eligible for the Scholarships. A limited number of information brochures and application forms are now available from Room S802 of the Ross Building. Selection is made by provincial committees after personal interviews and on the basis of the candidate's record.

Nominees must be Canadian citizens by December 15, 1978. Nomination forms must be completed and sent to the Council post-marked no later than November 15, 1978.
- * All members of the academic and administrative staff who will be in, or are planning to visit the United Kingdom between October 15, 1978, and March 31, 1979, are asked to forward their names and addresses in the United Kingdom for inclusion in the 85th List of Academic Visitors to the United Kingdom. The List, published three times annually by the Association of Commonwealth Universities, provides a directory to visiting Commonwealth academics. EMERGENCY SERVICES CENTRE - 3333

GENERAL

- * The Glendon Art Gallery is presenting "Six Generations of Women": photography by Susan Trow, from September 8 to October 1. This exhibition documents the Gooderham family in photographs which date back to the 1850's taken by and of the six generations, reprinted from the original negatives by Susan, photographer and youngest descendant of the family. The Gallery is open Monday to Friday from 10:00 a.m.-6:00 p.m. and on Sundays from 2:00 p.m.-5:00 p.m.
- * Members of the community are asked to note that the Founders College Branch of the Toronto-Dominion Bank will reopen on Wednesday, September 6. The Branch will be open Monday through Friday from 9:00 a.m.-11:00 a.m. and from 12:00 noon-4:00 p.m. Friday hours are from 9:00 a.m.-11:00 a.m. and 12:00 noon-5:30 p.m.
- * The 1978-79 Operating Schedule for the York Bus Service becomes effective Monday, September 11, 1978. Schedules may be obtained from Information York, Central Square Bookstore, Atkinson College Reception Desk, Student Accounts (Temporary Office Building), and the Glendon College Reception Desk. Users of the York buses are reminded that boarding points for buses to the subway stations are at the front entrance of the Fine Arts Phase II Building and the foot of the Ross Building ramp. Off-campus passengers will not be picked up enroute; passengers boarding at the subway stations will not be allowed to exit the buses enroute to the University as this contravenes existing transit laws.
- * Cheques requisitioned from the Accounting Office: The Office of the Chief Accountant requests the cooperation of the community in adhering to the practice of allowing five days for the preparation of cheques, including travel advances, petty cash reimbursements, etc. While one of the prime functions of the Accounting Department is to serve the needs of the University community, and urgent requests can be accommodated on an exception basis, this can only be achieved at the loss of productive time and additional workload for the staff. Therefore, it is requested that special pick up not be arranged unless absolutely necessary.
- * 1979 Desk Calendar Supplies: Stationery Stores are now compiling the community requirements for 1979 Desk Calendar supplies. Referring to the Stationery Catalogue for selection, members of the community are asked to complete a separate Stores Requisition with listing calendar items only, and to forward same to Stores before October 6, 1978. Subsequent exchanges, credits or cancellations are not permitted.
- * Recently the Postmaster of York University has received many requests to handle "personal mail" for persons working at the University and has had to refuse such requests. Address changes resulting in an increased number of Family Allowance and Mothers Allowance cheques, U.I.C. and Social Insurance, utility bills and general personal or private mail coming into the Central Mailroom cannot be accepted.
 - 1) The Sub Post Offices are to provide service to the communities with Out-Going Mail. Postal Services clerks and mailmen are employees of York University and every effort is made by such personnel to ensure prompt sorting and delivery of all in-coming mail as well as handling and despatching of all out-going mail.
 - 2) The Sub Post Office is designed to handle all personal out-going mail via three daily despatches into the Canada Post mailstream (11:00 a.m.-3:00 p.m. and 3:15 p.m.). The Central Mailroom is designed to handle all in-coming and out-going mail for the following: (a) all university offices; (b) all offices under lease with the University; and, (c) all undergraduate residences. There is no provision whereby Postal Services staff can be responsible for handling any other mail. Effective September 1, 1978, Postal Services will be returning to sender personal and private mail that is not within these three categories. To assist all members of the community with their out-going mail addressing, the postal codes for the University are as follows:

Atkinson College, M3J 2R7	Administrative Studies Building, M3J 2R6
Osgoode Hall Law School, M3J 2R5	Temporary Office Building, M3J 2R4
Stacie Science Library, M3J 2R3	Scott Library, M3J 2R2
All other buildings, M3J 1P3	Glendon College, M3N 3M6
2 Assiniboine Road, M3J 1L1	4 Assiniboine Road, M3J 1L2
6 Assiniboine Road, M3J 1L3	8 Assiniboine Road, M3J 1L4

 All Business Reply envelopes must include Code M3J 9Z9 in the return address to the University. The cost for each Business Reply letter is now 17.5¢.
