EMERGENCY SERVICES CENTRE -3333

GENERAL

- * The works and installations of six young artists who have been brought together by their interest in conceptual or process-oriented art will be shown at YUFAM (596 Markham Street) from July 25 to August 19. The main gallery space will show works by Irene Busschaert, Peter Hill, Colin Lochhead, David MacWilliam, Carol Pardu and John Wilkinson. The upper gallery will show Laura Biscotto's "Small Room Installation". Both exhibitions open officially on July 27 from 6:00 p.m.-8:00 p.m. Regular gallery hours are from 12:00 noon-6:00 p.m., Wednesday through Sunday.
- * A bus tour to Stratford for "Henry IV" (part I) will leave Osgoode Hall Law School at 3:00 p.m. on Friday, July 20. The cost of the tour is \$22.50; for further information call Helen Brown at local -2301.
- * Osgoode Hall Law School is sponsoring an "Intensive Trial Advocacy Workshop" to be held July 22-29 at the York campus. The Workshop is designed to train young lawyers in the basic trial skills equally applicable to civil and criminal cases. It is ideally suited to those with one to five years of legal experience, who have had some familiarity with litigation but a limited trial experience. The Workshop is being organized and directed by Professor Garry D. Watson of Osgoode.
- * Members of the community are asked to note that the Faculty Common Room of Osgoode Hall Law School will be closed July 23-27, inclusive.
- * Members of the University community using the parking facilities are reminded that their annual decals expired June 30, 1979. Those wishing to use the parking facilities after July 1, 1979, must arrange to purchase a 1979-80 decal or pay the hourly/daily rates in the pay lots. Charges must be levied for parking as the Government does not provide funds to the University for the construction, maintenance and operation of the parking lots on the principle that the users should pay for such expenses. Fees charged from year to year, therefore, are set to maintain a self-sustaining parking operation. On the recommendations of the Parking Committee, the fee structure approved the 1979-80 is as follows:

	York Campus	Glendon Campus
Day Reserved	\$132.50/year	\$90.00/year

- * The 1979-80 York Telephone Directory will be issued by November 1, 1979. The cut-off date for any additions, deletions or changes will be September 7, 1979. This year's book will be a revision of the 1978-79 directory. Additions, deletions and/or changes must be submitted on a "Change of Listing" form (obtained by calling local -2337) to the Telecommunications Office, Room C5 of the Temporary Office Building. One form is required per listing. Special care must be taken when submitting listings for faculty who are cross-appointed. In these cases it may be advisable to liaise with the other department or college concerned. If changes occur in the Departmental Listing, the department is required to submit, on a separate typed sheet, the complete Departmental Listing as it is to appear in the new directory. If there are no changes, simply send a memo to that effect before the cut-off date. Departments are also asked to advise Telecommunications of the number of new directory inserts required at the same time. After September 7, 1979, any additions, deletions or changes should continue to be submitted in order that the Switchboard files can be updated accordingly.
- * The Shaw Festival-York University Seminar includes seeing four plays, meeting actors and directors, and discussing Shaw from Friday, August 3 to Sunday, August 5. The reduced fee for York faculty and staff is \$125.00 which includes the four performances, two lunches and two dinners; tuition portion of fee is tax deductible.
