GENERAL

- *

Classes at York University will be cancelled today (Thursday, March 27) between 12:00 noon and 6:00 p.m. in recognition of the expressed desire of the students of York University to present to officials of the Provincial Government their views on the impact of tuition fee increases on students. In cancelling classes, the Senate Executive Committee wishes to make it clear that neither it nor Senate necessarily support the views expressed by the students.
- * An Ontario's Student Venture Capital program has been established which will provide up to \$1,000 in interest-free loans during 1980 to encourage enterprising students to set up their own summer business. Since 1974, Student Venture Capital has given full-time students (18 years and older) the opportunity to finance their education while acquiring business experience first hand. Projects may begin as early as April 1, 1980. Last year, 140 projects were approved and \$110,000 was lent to qualifying students in amounts ranging from \$200 to \$1,000. Sponsored by the Ministry of Education and the Ministry of Colleges and Universities in co-operation with various Chambers of Commerce in Ontario and the Royal Bank of Canada, Student Venture Capital is part of the Ontario Youth Secretariat's Experience '80 program to provide students with employment experience. Participating Chambers of Commerce share their business expertise and familiarity of the local business climate with the students. Once the student's proposal is accepted, he or she must agree to follow standard business procedures, make regular financial reports and repay the loan by October 31, 1980. The Royal Bank of Canada provides interest-free bridge loans to students who are eager to begin their enterprises before government financing is available. A Royal Bank financial liaison officer provides banking and financial advice throughout the summer. Application forms for Student Venture Capital are available by contacting: The Program Manager, Student Venture Capital, Ministry of Education/Ministry of Colleges and Universities, Special Projects Branch, 14th Floor, Mowat Block, Queen's Park, Toronto, Ontario M7A 1L2; telephone - 965-6911.

Dr. Andrew will give a talk entitled "The Making of the British Intelligence System: From the Boy Scout Movement to the Cambridge Connection". Interested persons are invited to attend.
- * Glendon College will be one of four Ontario universities hosting the newly introduced Ontario Elderhostel program this summer. Elderhostel participants, aged 60 or more will spend a week on the Glendon campus learning college level courses and taking time out for social activity as well. The three courses offered are: "Introduction to Economics", "Canada and Quebec"; and "Canada/U.S. Relations", and are taught by regular Glendon faculty members. There are no exams, no grades, and no homework and the fact that the participant has had very little formal education is no barrier to enjoying Elderhostel. The program will be available from August 10 to 16 and further information on registration is available by contacting Remo Brasolotto at 675-3111, ext. 241.
- * Stong College will present the play "Cowboy Mouth", by Sam Shepard and Patti Smith at the Samuel Beckett Theatre of Stong College, Tuesday, April 1 to Thursday, April 3 at 8:00 p.m. each evening. To be eligible, applicants must be a resident of North York, attend a North York institution, or be employed by a North York firm. This high profile position offers remuneration of one dollar per annum and the Mayor's Medallion. Interested persons are asked to forward their name, address and telephone number, along with two samples of poetry to: Mrs. Anna Di Ruscio, Director of Information Services, City of North York, 5100 Yonge Street, Willowdale, Ontario, M2N 5V7.
