EMERGENCY SERVICES CENTRE -3333

GENERAL

- * The Humanities Department of Atkinson College has arranged to have a tree planted on campus in memory of Jamie Hopton, York Professor George Hopton's son, who passed away last year. A very short tree-planting ceremony will be held on Tuesday, June 10 at 4:00 p.m. Persons wishing to attend, should meet outside Atkinson College at the south-west corner of the building.
- * Members of the community using the parking facilities are reminded that their annual decals expire on June 30, 1980. Decals for 1980/81 are on sale in the Parking Office, Room A3, Temporary Office Building on the York Campus, and at the Security Office, Room C110, York Hall, on the Glendon Campus. The Parking budgets are required to be self-sustaining, with all costs, including capital expenditures for lot construction, snow removal and maintenance of lots, salaries and wages of staff, and other related expenses, paid from income realized from users of the parking facilities. As a result of negotiated wage settlements in 1979/80 fiscal year and other increased costs of the Presidential Advisory Committee on Parking has recommended, and the President has approved, a five per cent increase in fees for 1980/81. The fee structure approved for 1980/81 is as follows:

	<u>York Campus</u>	<u>Glendon Campus</u>
Day Reserved	\$139.00 per year	\$94.50 per year
Day Unreserved	\$ 44.50 per year	\$39.00 per year
Evening Reserved	\$ 23.50 per session	\$23.50 per session
Evening Unreserved	\$ 11.50 per session	\$11.50 per session
Motor Cycle	\$ 3.00 per year	\$ 5.00 per year
- * Summer Production - Central Duplicating: Recent staffing changes on campus (notably those involving changes from full-time to sessional appointments) could, in certain cases, have the effect of pushing deadlines for the preparation of duplicated material -- particularly for courses -- to the end of the summer rather than at dates spread through May, June and July. This may occur in only a few cases, but Central Duplicating would appreciate it if work with a September deadline is submitted during the summer months. Work submitted in late August and September will be handled on a first come, first served basis.
- * Staff and Faculty are reminded that the 1979-80 Athletic Memberships expire on June 30, 1980. Application forms for 1980-81 Athletic Memberships are available in the Men's and Women's Control Rooms of Tait McKenzie Building or in the Proctor Field House. Those presently renting lockers are reminded that the locker must be renewed by June 30th, otherwise the contents will be removed and disposed of.
- * York University Ties are available, at a cost of \$10.25 each (including tax), from the Development Office, Room 200H, Administrative Studies Building, telephone local -2505.
- * Interested members of the community are asked to note that 2 spaces are available in the York Daycare Centre for children between 2 1/2 and 3 1/2 years of age. For further information call the Centre at local -3273.
- * In a recent notice of the York Bulletin regarding off-campus courses being offered by the Faculty of Arts commencing September 1980, it was reported that some courses will be given at the northern branch of the Jewish Community Centre. It should be added that three courses will also be offered at the Bloor branch of the J.C.C. For further information regarding these courses please call Dyanne Gibson at local -2334.
- * The Atkinson College A & G Cafeteria will close promptly at 1:00 p.m. on Friday, June 13 for Convocation preparations.
- * Community Relations Notes: Rented accommodation is sought for a young man from Quebec who would like to live with an English family to improve his English. He has a job for the summer in Weston and has a car. Interested persons are asked to call Denys Brown at local -3452.

EMERGENCY SERVICES CENTRE -3333

TO: ALL MEMBERS OF THE YORK UNIVERSITY COMMUNITY

This year, 1980 marks an important event in York University's history - the 20th Anniversary of the founding. We will be recognizing and celebrating this historic year from June, 1980 to June, 1981. An Advisory Committee on the 20th Anniversary of York, under the chairmanship of Professor Graeme H. McKechnie, has set up an agenda of various activities. These activities consist of on-going events, as well as a special anniversary programme which will highlight York life at Downsview and Glendon as well as in the outside community.

The Anniversary year was initiated on June 7, 1980 at the Glendon Convocation. Metro Chairman Paul V. Godfrey proclaimed a York University Day in Metropolitan Toronto and the first graduating class, the founding Board of Governors, and the original Faculty and Senate were invited back to Glendon to attend the Chancellor's luncheon and the Glendon Convocation. The city of North York will be proclaiming a York University Week at an appropriate time this fall, to coincide with our Drop-In-Week in October.

The Communications Department has created a logo signifying the 20th Anniversary which was recently displayed in the York Gazette. This logo will be appearing in York Bulletins, the Convocation programs, on sporting uniforms, on material sold in the Bookstore, and in the advertisement of all York functions. I hope that you will utilize this logo in as many of your activities as possible.

Some of the special anniversary activities of the Anniversary year include:

- * A four event program by the Faculty of Fine Arts which would feature the best in Music, Dance, Theatre and Film.
- * A series of major conferences throughout the year, dealing with the subjects of Mass Communication, Genetics, and Energy, following the highly successful Science Symposium on Computers and Society.
- * The establishment of a Sports Hall of Fame at York.
- * A Glendon Conference called the "International Figures Series", and a York Conference on constitutional issues.
- * A special recording of material for the 20th Anniversary by the York Jazz Group.
- * A travelling display of York's collection of Eskimo carvings and artifacts.
- * The establishment of a 20 year club at York to honour the staff who have served the University since its inception.
- * Recognition of various scholarly achievements by Faculty and Students.

Some of the on-going activities which will be incorporated in the year's activities are:

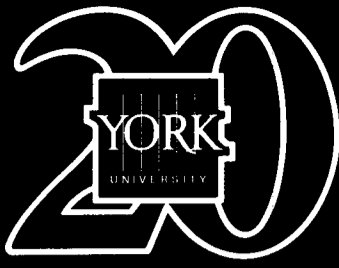

- * York University's Homecoming (October 17-18, 1980)
- * German Cultural Week sponsored by the Faculty of Arts from October 21-27, 1980.
- * The Jim Gillies Alumni Lecture sponsored by the Faculty of Administrative Studies.
- * The Science Olympics which are held at York each year and run by the Faculty of Science.
- * The various art displays at both the York Art Gallery and the Glendon Gallery.

These are just a few of the activities that will be happening at York. I hope that you will call Nancy Kelly, who is coordinator of the 20th Anniversary activities, at 667-3903 if you have any functions that could be incorporated as part of our Anniversary year.

I am sure that this year at York will be a successful and festive one for us all. I hope that you will support our Anniversary through your cooperation and participation.

Yours sincerely,

H. Ian Macdonald
President
