## GENERAL

- \* The Metropolitan Toronto Planning Department is conducting a survey of travel patterns in the Metro Area and has asked for the University's assistance in completing a short questionnaire. This questionnaire was sent around campus on Tuesday, November 25. Please note that completed copies are to be sent to the Office of the Vice-President (University Services), Room S912, of the Ross Building.
- \* Cancellation of Classes/Closing of Offices Due to Bad Weather Conditions: It's the time of year again when winter winds, precipitation and temperatures combine on occasion to make driving dangerous. As a large community with academic schedules to meet and many members to serve, the importance of avoiding disruption is evident. There are times, however, when public safety indicates temporary interruption of the regular routines of the University. Hopefully such occasions will be rare. The information given below is provided for the guidance of York members. The decision to cancel all classes or close the offices in the University is the responsibility of the Chairman of Senate and the President, respectively.  
When the decision is made during regular office hours, the Office of the Vice-President (University Services) will notify the designated representative of each Faculty/College and administrative department that offices will be closed and/or classes cancelled from a specific time. The person so informed will then be responsible for passing on the message to members of the unit. An announcement will be made as soon as possible after the decision has been made and, in any case, not later than 4:00 p.m. over the following radio stations:  
Radio York, Radio Glendon, CKEY (AM), CHUM (FM), CFRB (AM), CBL (AM), CKFM (FM)  
When the decision is made before the University opens in the morning, the Emergency Services Centre will be notified and an announcement suspending classes and office attendance will be made on the above designated stations as soon after 7:00 a.m. as possible.  
Unless such announcements are made, members of the community will be expected to maintain regular schedules and are asked not to telephone the Office of the Vice-President (University Services).
- \* The December 1980 pay date for all monthly salaried employees will be on Thursday, December 18, 1980. In view of the University closing during the month of December, it is critical that any banking or address changes be submitted prior to Friday, December 5, 1980 to the Payroll Office to ensure timely processing.
- \* Applications are requested for Senior Tutor/Academic Advisor of Vanier College for the term beginning July 1, 1981. For further information please call (or write to) Professor J.C. Stephens, Room 244 of Vanier College, local -3901; Professor Michael Creal, Master's Office, local -2323; or, Nancy Accinelli, Administrative Assistant, Room 254 of Vanier College, local -2323. Deadline for applications is December 15, 1980.

Late donations to the United Way will be received at the Development Office. Members of the community who have not as yet filled out their form and wish to contribute, may do so by sending the completed form to Room 200H, Administrative Studies Building.

- \* Brookhaven Public School (70 Brookhaven Drive) requires eleven volunteers to assist in their upgrading program. Volunteers who can spare at least 90 minutes a week to be in the classroom are asked to call Eulah Parker at 241-2261 or 241-9941. This school has a large immigrant population and the parents (who would ordinarily assist in this program) are either working all day or lack sufficient English to be of assistance. The teachers are trying to bring the students up to Canadian standards of education and this classroom assistance is very necessary.
- \* The City of North York and the City of Wroclaw, Poland, have signed a twinning agreement. The agreement includes, among others, educational and cultural exchanges. The City of North York is looking for people interested in corresponding with university students from Wroclaw. Members of the York community interested in participating are asked to call Professor Yvonne Grabowski at 485-2238.
- \* The York Community Connection is sponsoring a Fashion Show and Make-Up Demonstration on Tuesday, December 2 at 5:30 p.m. in the Faculty Lounge (8th floor) of the Ross Building. Tickets are \$5.50 each (covers buffet and door prizes) and are available from: Denys Brown, Room S102, Ross Building (local -3452) or Rosemarie Nielsen, Room 224, Founders College (local -3760). For those who cannot come in the evening, a special "Brown Bag Fashion Show" will take place from 12:00 noon-1:00 p.m. and from 1:00 p.m.-2:00 p.m. (free admission, coffee provided).
