GENERAL

CAMPAIGN REPORT: The good news is that University staff members have contributed \$100,000 (or 40%) of their \$250,000 target in the \$15,000,000 campaign. The not-so-good news is that this sum was pledged by only about 15% of the total staff. This means that those who have already pledged have been very generous...and that those who have not yet done so may wish to participate now. For pledge cards or any further information, contact the Development Office at 667-2495.

- * The next talk in the Founders College Brown Bag Lecture Series will take place on Thursday, February 4 from 1:00 p.m.-2:00 p.m. in that College's Senior Common Room. York Professor Judy Hellman will give a talk entitled "The Role of Women in Israel: Myth and Reality".
- * Announcement concerning Final Examinations and Spring Convocation 1982:
 1. Increasing enrolments and more extensive use of formal final examinations in many courses has resulted in scheduling difficulties for the conflict-free examination timetable.
 2. This new situation coupled with the desire of the University to maintain a Convocation schedule which starts the first Saturday of June means that changes in examination scheduling are required.
 3. The changes that will be introduced this April are as follows:
 - a) The first day of examination for the Faculties of Arts, Education and Fine Arts will be Friday, April 16, 1982 (not Monday, April 19 as mentioned in the Undergraduate Programs Calendar.
 - b) Every attempt will be made to schedule all examinations in 34 periods which will include:
 - i) 3 periods on each of Monday, Tuesday, Wednesday and Thursday
 - ii) 2 periods on each of Friday and Saturday
 concluding most or all examinations by Friday, April 30, 1982.
 - c) The periods each day will be: 8:30 a.m.-11:30 a.m.; 1:00 p.m.-4:00 p.m.; 5:30 p.m.-8:30 p.m., Monday through Thursday only.
 4. The Faculty of Science will start their examination schedule on Monday, April 12, 1982. Consistent with existing University policy, no examinations will be scheduled on Passover (Wednesday and Thursday, April 14 and 15).
 5. There will be no change in the convention regarding consecutive examinations. Normally students will not be asked to write more than two examinations in a row (excluding weekends).
 6. Authority for these changes may be found in the minutes of the November 3, 1981, Policy Committee meeting.
- * The Accounting Department, in conjunction with the Telecommunications Office, wishes to advise that CNCP Telecommunications have instituted a new system of invoicing for Telegrams and Cables. Effective immediately, any telegram or cablegram sent on official University business must be charged to the appropriate department telephone number. The resulting charge will subsequently appear on a "Chargeable Messages" statement from Bell Canada, processed through York's internal billing system. As with Long Distance telephone call charges, all telegram and cablegram messages should be recorded and the charges reconciled at the departmental level. Any queries concerning specific charges should be directed to CNCP Telecommunications at 860-5021.
