AFRICAN FAMINE RELIEF

The York University Faculty Association has recently sent a Newsheet to all of its members, informing them of arrangements made with the York administration whereby they might direct the amount of their merit increments, just recently determined, to the purpose of African famine relief. The option of making a one-time donation from the monthly salary (most likely in March) has also been provided.

Employees other than those in the YUFA bargaining unit will also be able to make a one-time, payroll deduction, donation to Famine Relief, by completing the form below and sending it to the Payroll Office, East Office Building.

Persons wishing to contribute will have the choice of deciding whether they wish to assist with emergency funds, which the Canadian government matches on a dollar-for-dollar basis, or with funds for development, which are matched by the government on a three-to-one basis.

OXFAM, which has a long and successful history in the areas of famine relief, development, and education projects, will be administering the funds. OXFAM dollars are currently being used to assist the peoples of Ethiopia, Eritrea, Mozambique, Angola, Sudan, Tigray, Namibia, Cape Verde, Guinea Bissau, and Zimbabwe.

Donors will in due course receive from OXFAM tax receipts applicable to the 1985 tax year.
