SPECIAL BULLETIN

The following letter has been sent to all CUEW Unit II Part-time faculty members. Please note the deadline date of DECEMBER 9, 1985. Extra copies can be picked up at either the Union offices or Room S907, Ross Building.

Dear Part-time faculty member:

During the recent negotiations, the Administration and the Union agreed that the opportunity to be included in the York University Undergraduate calendar should again be offered to current, long-service part-time faculty. This practice was initiated on an experimental basis in 1983/84 and was, we believe, of benefit to both employees and the York University community as a whole.

Unfortunately, we must operate within a very rigid and short time frame if we are to meet the deadline for submissions to the calendar. Consequently, we should like to invite all current, part-time faculty who have taught at York for at least five years to complete and return the tearsheet below to York Part-Time Faculty Listing, c/o Room S907, Ross Building by December 9, 1985.

We must ask that the information be complete, accurate and in the proper form as there is insufficient time before printing to permit further contact for additional data or corrections.

The Department of Security and Safety Services advises members of the York community that the following precautions should be taken when installing Christmas trees and appropriate decorative materials: select a tree with fresh firm needles, support firmly, stand in water and top up as required; locate away from sources of heat and from exits and exit routes; do not smoke near tree; no open flame devices such as candles, etc. should be used on or near the tree; check all lighting sets for wear and tear before installing (repair or replace as necessary); use only indirect lighting for metal trees as shorts in lighting sets could cause a tree to become electrically energized; use only fire retardant treated materials for decorative purposes; and promptly dispose of all excess paper and wrappings. 1985 Donations to York University: Members of the community are reminded that the University may only issue 1985 charitable tax receipts for donations or gifts received during the 1985 calendar year. To provide for the closing of the University in December and to allow for a reasonable delay in internal and external mail systems, the Development Office (Suite A, West Office Building) will accept any monetary donations received up to the end of the second business day in January (i.e., January 3, 1986) as being contributions in the 1985 tax year. All donations received after that date will be assumed to relate to the 1986 tax year.
