

Monday, February 1 - Wednesday, February 3, 1988  
Volume 8, Number 8

### GENERAL:

#### **Let's Clear the Air!**

The York University Smoking Policy goes into effect February 22, 1988.

Given the size of the University and the nature of its activities, day-to-day implementation and enforcement of the smoking policy will be the responsibility of the individual directly in charge of a given area or an activity within an area. To assist supervisory personnel a half-day seminar is planned for February 8, 1988. This seminar will help you become familiar with issues and resources associated with introducing a policy to create a smoke-free workplace. To register, please call Joan Chaplain, Department of Occupational Health and Safety (-5491). Copies of the program are available at Suite A of the West Office Building.

Watch the Bulletin, the Gazette, Excalibur and ProTem for information regarding smoking areas and smoking-cessation programs.

#### **Help create a smoke-free York**

The Department of Security and Parking Services requests that all Faculties, Colleges and Departments provide an updated information list of names, telephone numbers, area of responsibility (including room numbers) of one principal and two back-up persons to be contacted after normal working hours in case of an emergency. Please submit the list to the Department of Security and Parking Services, Room D27, EOB. All lists will be kept in a confidential file.

Automobile Compensation For Use of Personal Vehicle: As of January 18, the rate to be paid for the use of a personal vehicle on approved University business is 22 per kilometre. (Office of the Vice-President, Finance & Administration).

Colleges are now seeking applicants for Donships for the 1988/89 academic year. Further information and application forms are available from the following:

The Centre for International and Strategic Studies invites applications for the position of Director. The appointment will be filled at the Associate Professor or Professor level by a candidate with expertise in one or more areas of international and strategic studies. The appointment may include a tenured professorship in a Faculty/Department consistent with the disciplinary background of the successful applicant. Candidates from relevant academic disciplines are invited to apply. The appointment is to commence July 1, 1988. Applications may be submitted to Prof. R. Cuff, Chair, Search Committee, c/o Associate Vice-President (Research), Office of Research Administration, Room S414A, Ross. The deadline for applications is April 1. For further information call Marilyn D'Alessandro at -5055.

## GENERAL (cont'd.)

Revenue Canada has advised York that there are further restrictions on the research grant in lieu of salary program. These restrictions conflict with the earlier ruling on which the program is based. The program is temporarily suspended to non-leave applicants until such time as the discrepancy is resolved. Applications will still be accepted from sabbaticants and faculty members who have received leave fellowships. For further information contact Marilyn D'Alessandro in the Office of Research Administration (-5055).

Information regarding Atkinson Summer '88 enrolment will be available to students registered in the Faculty of Arts, February 8 to 10 in Central Square (West Bear Pit).

York Computing Services offers non-credit computing courses. There is a \$25 registration fee for most courses. The following courses are being offered in February: A Review of Yterm; Introduction to VM/CMS; and Advanced Features of WordPerfect. For further information or to register, call Rose Orlando at -5257.

Mr. J.A.S. McNeil, Director of Admissions, informs the York community that nominations for the annual "Class Builders' Award" are being accepted until February 10 at the Admissions Office, Room B101, WOB. The award is presented to those members of faculty who have gone far beyond the call of duty in their efforts to recruit students to York. The winners will be announced February 15.

Members of the York community are asked to note the following changes to the York Telephone Directory:

Robert Stevens, Investigations Officer, Department of Security and Parking Services, D29 E0B	-5503

### GENERAL:

#### Computer Methods Building Construction Begins

Computer Methods Inc., a company engaged in the development of new software for the consulting industry, leased a parcel of land last spring from York University through the agency of the York University Development Corporation. The land is located north of the KNIMR Building (on Keele Street, south of Steeles).

The company broke ground in December for a two-phase 60,000-square foot building and is looking forward to an early completion. The building will be the site of a world class R & D software facility specializing mainly in IBM equipment applications. Computer Methods currently employs several York graduates; the company's proximity to York will lead to an exchange of ideas and sharing of other unique resources which will be beneficial to both parties. Alan Berg, the owner of the firm, already has been instrumental in assisting York to achieve a \$600,000 grant for the Enterprise York and the Centre for Entrepreneurship projects of the Faculty of Administrative Studies. For further information call Greg Spearn, York University Development Corporation (-5341).

In 1979, President H. Ian Macdonald established the Ronald Kent Medal, in memory of the late Ron Kent and his many years of devoted service to York. The medal is awarded periodically to honor unusual service to the University by a member of non-academic staff. Its recipients thus far have been Ron Kent (posthumously), Olga Cirak, Ron Witty and Joan Young. A selection committee chaired by Vice-President Farr receives nominations and makes recommendations to the President as to suitable recipients of the Medal. The Committee intends to award the medal this year and the selection of its recipient will take place this spring. Members of the York community are invited to submit nominations for the award in writing to Vice-President W.D. Farr, Room S958A, Ross by Friday, February 19.

Applications are invited from full-time graduate students of York for the position of Residence Tutor of Norman Bethune College. For information and guidelines, call -3958. Applications must be submitted no later than February 5 to Janet Waisglass, Room 205D, Norman Bethune. The appointment must commence no later than May 1.

The Search Committee for a Master of Winters College invites nominations and applications for the position of Master. Candidates should be full-time tenured faculty members of York. Candidates are asked to provide a letter of application, a curriculum vitae and the names of three references to the Search Committee. The term of appointment begins July 1, 1988 for a period of five years. For further information contact Brian Laing at -3321. All correspondence should be addressed to the Chair of the Search Committee, Prof. R.K. Allan, Room 210C, Farquharson. Applications should be received by March 7.

Recreation York's "Take a Break and Recreate" will take place Monday, February 15 from 12:00 noon to 2:00 p.m. at the Track and Field Centre. Teams must register with Recreation York. The entry fee is \$15.00 per team and/or \$1.50 per individual. The dress code is casual, but running shoes are required. For further information call -5184.

The Grounds and Vehicle Section of the Department of Physical Plant informs members of the York community that arrangements have been made with Metro Waste Paper Recovery Inc. to initiate a trial pick-up of corrugated cardboard. Containers have been placed at the Ross, Winters, and Scott loading docks. Appropriate signs will be installed to indicate exact location on each loading dock. Carton boxes should be placed unfolded into these containers. If this trial proves to be successful, the number of pick-up locations will be expanded.

**GENERAL:**

**New Student Housing Proposals**

The President has recently announced the creation of a Project Committee chaired by Mr. Greg Spearn, Vice-President of YUDC, to guide planning for new student housing units on the York campus. This Project Committee will base much of its work on the reports of two earlier investigations into an expansion of the student housing capacity at the York University Keele Street campus. A 1985 Users Committee and a 1986-87 Sub-Committee of the President's Land Use Coordinating Group both identified an urgent need for additional accommodation. The current committee will concentrate on issues of design and financial viability and will identify government subsidy programs which might assist York in making an early start on these projects. To assist the Project Committee in the detailed design of these structures, two Users' Sub-Committees have been created.

**\*\*Project One Users' Sub-Committee - Self-Contained Apartments**

The Draft Campus Concept Plan has identified a site on the north side of the Assiniboine Road Student Apartment Buildings which will accommodate up to 370 new low-rise apartment units.

**\*\*Project Two Users' Sub-Committee - A Single Student Residence for undergraduates in a low-rise configuration**

The Draft Campus Concept Plan has indicated that if another College-type residence is to be constructed, it should be located adjacent to the main food service facilities in College Complex II (Stong and Norman Bethune Colleges).

These two Users' Sub-Committees will advise the main Project Committee and through it the architects on important items of detail and design. They will include representatives from the various constituencies of the University, faculty, staff and student residents, and will be seeking input and advice from the whole community. The secretariat for these Users Committees will be the Housing Department, Room 104, EOB (-5652).

Beinhaker, Irwin and Associates have been appointed as architects for Project One (Self-Contained Apartments). The Project Committee will undertake an immediate search for architects for Project Two (Student Residence).

All members of the community are invited to participate in this process. If you have comments or suggestions, please contact the Housing Department.

Openings are available to professional and managerial staff in the Time Mastery Seminar taking place February 11 and 12. This comprehensive two-day seminar provides the tools to manage time obligations, reduces time-wasters and controls priorities on and off the job. For further information and to register, call the Staff Development Office at -2597.

**OBITUARY:** John Page, a Professor in the Faculty of Environmental Studies since 1971, died on January 29. Memorial contributions may be sent to the Alzheimer Society, 640 Lawrence Avenue West,, Toronto.

In 1979, President H. Ian Macdonald established the Ronald Kent Medal, in memory of the late Ron Kent and his many years of devoted service to York. The medal is awarded periodically to honor unusual service to the University by a member of non-academic staff. Its recipients thus far have been Ron Kent (posthumously), Olga Cirak, Ron Witty and Joan Young. A selection committee chaired by Vice-President Farr receives nominations and makes recommendations to the President as to suitable recipients of the Medal. The Committee intends to award the medal this year and the selection of its recipient will take place this spring. Members of the York community are invited to submit nominations for the award in writing to Vice-President W.D. Farr, Room S958A, Ross by Friday, February 19.
