### GENERAL:

#### STATEMENT BY PRESIDENT'S POLICY COMMITTEE REGARDING ONTARIO FEDERATION OF STUDENTS' RALLY

Once again, university students are taking directly to government their concerns about the grave effects of the continued underfunding of higher education in the province of Ontario.

On Thursday, March 10, university students from across the province will assemble at Queen's Park for a rally organized by the Ontario Federation of Students. The rally and associated activities will take place from 12:00 noon to 2:00 p.m. The continued need for students to engage in such protest is a telling commentary on the government's failure to address adequately the needs of higher education.

To enable as large a participation from York University as possible, the President's Policy Committee urges all course directors and tutorial leaders to show as much support and understanding as they can in individual cases for students who opt not to attend classes from 11:00 a.m. to 3:00 p.m. on Thursday, March 10, so as to attend the rally at Queen's Park. Given the lateness of this notice and the point we are at in the academic session for most courses, and the resultant inability to plan alternative arrangements and make-up activities, students should understand that their first obligation is to their course work and requirements and should not presume any exemption or exception.

**ART GALLERIES/DISPLAYS:** The Glendon Gallery presents "Papua New Guinea: Ritual and Relic," pieces from the York University permanent collection until March 27. Gallery hours are Monday-Friday, 10:00 a.m.-5:00 p.m.; in addition, Thursday, 6:00 p.m.-9:00 p.m.; and Sunday, 1:00 p.m.-4:00 p.m. For further information call 487-6721 - The Samuel J.
