For details about this year's fundraising efforts or to find out how you can help, please contact Bob Richardson or Laura Tortorelli in External Relations at 736-5010.

AN IMPORTANT REMINDER TO ALL SUPERVISORY STAFF: It has been reported that, in some instances, all personnel have not been safely evacuated from areas where a fire alarm has been activated. Whenever the building fire alarm system is activated, supervisors, in conjunction with the Emergency Response Wardens, are responsible for the safe evacuation of personnel. As well, the Ontario Fire Code states that, if an alarm has been sounded and it is safe to do so, "...OCCUPANTS WILL EVACUATE THE AREA." In the event of an emergency, your cooperation in the safe and timely evacuation of the area is anticipated and appreciated.

Scott Library Construction Detour: Due to unforeseen circumstances, the main entrance to Scott Library through Central Square will be blocked for the next few weeks. Please enter the library through the outside doors on the second floor podium. Access to the podium is possible via the outside stairs or the North Ross elevators. Persons with disabilities should call the Reserve section at -55613 if it is necessary to arrange for assistance across the podium from the North Ross elevators.
