GENERAL:

In 1991, the Ministry of Colleges and Universities established a **Task Force on Accountability**, to develop recommendations for a framework that would provide for a clear accountability of Ontario's universities to the general public. The Task Force has provided an **"Issues Paper for discussion with the Universities."** As part of its consultation phase, the Task Force has asked to meet with interested members of each Ontario University and will conduct an **Open Forum on Friday, October 30, 1992** from 2:00 to 3:30 p.m. in the Senate Chamber, Ross Building. All members of the community are invited to participate. [Terms of Reference of the Task Force and Issues Paper are available from Vice-President Farr's Office, Room S958A, Ross (-55282) on request. Those individuals or groups wishing to make a written presentation should provide copies to the Task Force via this office].

At its meeting of October 8, 1992, the Executive Committee of Senate considered a series of proposals from the York Federation of Students in relation to the **National Student Day Rally** to be held at Queen's Park on the afternoon of Wednesday, October 21, 1992. One of the proposals requested that classes be cancelled for the afternoon of October 21 in order to encourage attendance at the rally. While the Executive Committee joins with all members of the York community, and the larger academic community, in expressing concern with the funding of universities in Ontario, the Committee was concerned about the effect of cancelling an afternoon of classes during a term which has little or no latitude for rescheduling. As the rally is to take place before the next meeting of Senate, the Executive Committee did not have an opportunity to seek the advice of Senate on this matter and so was guided in part by the action which was taken by Senate last year. Therefore, the Executive Committee approved the following: **1)** The Executive Committee of Senate recognizes October 21, 1992 as National Student Day, in solidarity with students across the country who are committed to improving the quality and accessibility of post-secondary education in Canada; **2)** The Executive Committee of Senate expresses support for the National Student Day rally to be held on the afternoon of October 21, 1992 and instructs Faculties to ensure that students who choose to attend the rally between the hours of 12:30 p.m. and 5:30 p.m. will suffer no academic penalty for missing classes held between those times; **3)** The Executive Committee of Senate encourages all faculty and teaching assistants to announce National Student Day, and these resolutions, in their classes during the week preceding October 21, 1992; and **4)** The Executive Committee of Senate encourages participation in the National Student Day rally.

Atkinson College will hold a **"Bake and Book Dollar Sale,"** October 27 and 28 from 12:00 noon to 2:00 p.m. in the foyer of Atkinson College (opposite the main elevator). Everything goes for a "loonie" with all proceeds going to the United Way. Donations of baked goods and books are needed and may be dropped off at the Master's Office. Magazines and comic books in good condition will also be accepted.
